## SKYHAWKS ATHLETIC CAMPS

Since 1979 Skyhawks has taught over 1.5 million boys and girls life lessons through sports. Skyhawks Minnesota has been offering safe, skill based and fun sports programs since 1999.

### Skyhawks Mini-Hawk (Soccer, T-ball, Basketball)

This t-ball, basketball, and soccer program gives children a fun and positive first step into athletics. Through games and activities, campers explore balance, hand/eye coordination, and skill development at their own pace. For all half day camps, participants receive a t-shirt, ball, and a merit award. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen.

Date	Time	Age/Grade	Cost
June 26-29	9 AM - 12 PM	Age 4-7	\$109

**Place:** Eagle Court  
**Instructor:** Skyhawks  
**Maximum:** 24 Students

### Skyhawks Volleyball

All aspects of volleyball are taught through drills and exercises that focus on passing, setting, hitting, and serving. This co-ed program is designed for the beginning and intermediate player. Our staff will assist campers in developing fundamental skills through game-speed drills and daily scrimmages aimed at developing the whole player. Participants should bring appropriate clothing, two snacks, water bottle, and sunscreen. All participants receive a t-shirt, volleyball, and merit award.

Date	Time	Age/Grade	Cost

**Place:** Wetsel Court  
**Instructor:** Skyhawks  
**Maximum:** 24 Students

### Skyhawks Flag Football

Flag Football is the perfect introduction to "America's Game." Campers learn skills on both sides of the football including the core components of passing, catching, and defense – all presented in a fun and positive environment. The week ends with the Skyhawks Super Bowl, giving participants a chance to showcase their skills on the gridiron! Participants should bring appropriate clothing, two snacks, water bottle, and sunscreen. Participants receive a t-shirt, football, and merit award.

Date	Time	Age/Grade	Cost
July 10-13	9 AM - 12 PM	Age 6-12	\$109

**Place:** NLA Sports Fields  
**Instructor:** Skyhawks  
**Maximum:** 24 Students

### Skyhawks Golf

Skyhawks Golf focuses on building the confidence of young athletes through proper technique and refining the essential skills of the game. This camp will focus on the fundamentals of form, chipping, putting, driving and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system to its curriculum. SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy and effective transition onto the golf course. No need to bring your own clubs—all equipment is provided. We keep the instructor-to-camper ratio for this program very low, resulting in limited availability. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes, and sunscreen. All participants receive a t-shirt and a merit award.

Date	Time	Age/Grade	Cost
July 31-Aug 3	9 AM - 12 PM	Age 5-8	\$109

# ACADEMIC COURSES FOR CREDIT

Our summer academic program allows students the opportunity to earn high school credits in order to have more room in their schedule for other courses during the regular school year.

## Geometry

This class is a fast-paced, accelerated Geometry course covering a full year of material in a four-week period. This course is designed to emphasize the study of the properties and applications of common geometric figures in two and three dimensions. Geometric relationships will be explored using traditional geometric tools to perform constructions and measure figures. Inductive and deductive thinking skills are used in solving real-world applications and proving properties of parallel and perpendicular lines, triangles, and polygons. Algebra skills are applied extensively with area, surface area, and volume formulas as well as the Pythagorean Theorem and basic Trigonometry.

**Date:** June 11 - July 11 (no class week of July 4)  
**Time:** 8:00 AM - 12:30 PM  
**Place:** Room 250  
**Instructor:** Mrs. Jeni Meyer  
**Credit:** 1 credit  
**Cost:** \$445

## Health

This class is designed to be personal and specific for each student so that they will be able to use this information later in life. The following units will be covered: mental health, growth and development, nutrition, exercise and fitness, and drugs.

**Date:** July 10 - 28  
**Time:** 8:30 AM - 11:30 AM  
**Place:** Room 133  
**Instructor:** Mr. Doug Westlund  
**Credit:** .5 credit  
**Cost:** \$225

## Physical Education

Each student will have the opportunity to enhance their skills and abilities through a variety of team and individual sports (i.e. golf, tennis, softball, flag football, soccer, basketball). The units will include development of skills, teaching of rules, regulations, and strategies governing the specific sport. We will also emphasize an appreciation of the biblical principles of honesty and fair play, abiding by the rules, and the importance of developing teamwork. Time will also be taken to provide general awareness of personal health and hygiene as it applies to everyday living.

**Date:** July 10-28  
**Time:** 1:00 - 4:00 PM

## Physical Science

This course is designed to be a 4-week summer intensive in Physical Science that is a required class before students take Biology, Chemistry, and Physics. The course will build the foundation for Physics and Chemistry giving students a conceptual understanding of how the universe and the things in the universe work. The course is experiment focused (the doing of science), project focused (there will be a weekly project), fast-paced (it will be an academically challenging course), and mathematical (students should have maintained a B+ or higher in Algebra I). The major units will cover Force and Motion, Energy, Matter and the Atom, and Chemical Reactions.
