

New Life Lower School Parents eLearning

As we begin this new phase of eLearning in the midst of this global health situation, we are committed to giving students the best educational experience while we are away. We know this time may come with some questions as we navigate this time together. We will be operating under a time of grace and patience for all – teachers, students and parents. Please know that we continue to pray for health and wellness for our families! We miss you all dearly and can not wait until we are together again.

Weekly Schedule

eLearning begins on Friday, March 20. We will continue to communicate with you as the situation continually changes.

Core academics:

Each class (K-5) will have a dedicated time of live instruction with their teacher for 25 minutes each day. Your teacher will be giving you a set schedule for your grade level. We want to make sure that every student is doing well emotionally and academically. We will check-in with any family that we have not seen login to make sure they aren't experiencing any issues.

Specialists:

Your child will have their specials one time (1x) per week. This applies to art, music, Spanish, Makerspace, and PE.

Assistance:

- [Schoology Tutorials](#)
- Questions on eLearning? Email elearning@newlifeacademy.org
- Technology questions? Email IThelp@newlifeacademy.org

This a new adventure for all of us. We greatly appreciate your grace and flexibility as we begin eLearning. We will continue to communicate and check-in with you personally.

Thank you and may the Lord richly bless you in this time.

Miss Washburn
Lower School Principal
