

New Life Academy Uniform & Dress Code Guide 2021-22

New Life Academy implements a K-12 uniform/dress code policy that contributes to a positive school climate and creates an environment conducive to learning. The policy is intended to keep students in a learning mindset, minimize distractions, teach students to present a positive and respectful image of themselves, and reflect school pride. This brings consistency and cohesion and cuts down on competition.

FAQs

If I have a shirt or sweatshirt that is no longer sold in the campus store, can I still wear it?

If the top is a previous NLA design that is white, grey, black, yellow or green and only contains the NLA logo on the upper chest, it may be worn as uniform wear. If it contains a design on the front or back of the shirt/sweatshirt/jacket, then it may not be worn Monday – Thursday. It can be worn on Friday's as spirit wear only.

Why do we have to wear an NLA shirt under an NLA jacket or sweatshirt?

Many students intend to keep their NLA sweatshirts on during the day. Often times however they get hot so they will remove the sweatshirt or unzip the jacket. If they do not wear a NLA shirt underneath, they are then out of dress code. To simplify this, we require all shirts worn under sweatshirts or NLA jackets to be NLA uniform wear.

Can I wear dark navy jeans in place of navy pants?

On Monday – Thursday, students must wear navy pants. Jeans are only allowed on Friday's unless a special spirit day has been granted. Leggings are not to be worn any day (unless they are worn under a skirt or jumper).

What vendors can we purchase uniforms from?

Our official suppliers for our uniform and dress code attire are:

[Donald's Uniform](#)

[Campus Spirit Store](#)

BSN Athletic Store (only available 3 times per year, watch for emails for availability)

Other vendors on the internet that offer custom designed logo wear (ex. Custom ink etc) are not considered official uniform vendors. If you custom design apparel, these are not considered uniform approved and are not able to be worn during school.

Does Early Ed wear uniforms?

Early Ed students are not required to wear uniforms. Shorts, skirts and dresses must be modest in length. No tank tops, halter tops or tops with offensive writing/pictures. Closed toe shoes only (no flip flops or sandals). No tie shoes unless your child can tie their own shoes.
