Dear Parents,

I am so excited to welcome you back to New Life Academy for the 2022-2023 school year. I have spent much time seeking the Lord and praying for our year together. I enter this school year fully expecting God to work through our teachers and staff to nurture and grow your children!

Our mission to educate students and help them flourish in a Christ-centered community where they are known, loved and valued is New Life's highest priority. It is this mission that is the driving force behind everything we do. Please remember that this mission is best accomplished where there is a strong partnership between the school and the home.

Christian education has a powerful opportunity to instill in students a love of God's Word, a desire to grow closer to Jesus, and a genuine care for one another. As a school, we will seek the Lord to help speak truth over our students, to know the students on a personal level, and to help mold them into the boys and girls who God created them to be. It is our prayer that as students begin to understand who they are in Christ they will develop a love for learning and an authentic relationship with God.

Our students are growing up in a world that is constantly changing in unprecedented ways. With this knowledge, we are dedicated to helping our students become avid learners, complex problem solvers, critical thinkers, and engaged listeners. The Lower School program at New Life Academy offers students the opportunity to learn in ways that will produce wise leaders and discerning followers of Jesus Christ.

I am looking forward to what I know will be a transformational year of learning and growing. I invite you to pray over the upcoming school year, and I look forward to a strong partnership with your family.

*Be of good courage,
and He shall strengthen your heart,
all you who hope in the Lord.
Psalm 31:24*

For Christ and His School,
Dan Palkki
Lower School Principal

GUIDING PRINCIPLES

Christian education is a partnership. Unity in that partnership is an essential part of being consistent and effective in our mission to educate and energize each student to impact their world for Jesus Christ. Below is our statement of faith; written to help you understand what we believe and therefore teach.

Statement of Faith

The Word of God:

We believe that the Bible is the Word of God, fully inspired and without error in the original manuscripts, written under the inspiration of the Holy Spirit, and having supreme authority in all matters of faith and conduct.

The Trinity:

We believe that there is one living and true God, eternally existing in three Persons; that these are equal in every divine perfection, and that they execute distinct, but harmonious offices in the work of creation, providence, and redemption.

God the Father:

We believe in God the Father, an infinite personal Spirit, perfect in holiness, wisdom, power, and love. We believe that He concerns Himself mercifully in the affairs of men, that He hears and answers prayers and that He saves from sin and death all who come to Him through Jesus Christ.

Jesus Christ:

We believe in Jesus Christ, God's only begotten Son, conceived by the Holy Spirit. We believe in His substitutionary atoning death, bodily resurrection and ascension into heaven, perpetual intercession for His people, and personal visible return to earth.

The Holy Spirit:

We believe in the Holy Spirit who came forth from the Father and Son to convict the world of sin, righteousness, and judgment and to regenerate, sanctify, and empower all who believe in Jesus Christ. We believe that the Holy Spirit indwells every believer in Christ, and that He is an abiding helper, teacher, and guide.

Regeneration:

We believe that all men are sinners by nature and by choice and are, therefore, under condemnation and that there are no good deeds that a person can do to free himself from condemnation. We believe that those who receive Jesus Christ as Lord and trust in Him by faith as the only way to salvation are regenerated by the Holy Spirit.

The Last Things:

We believe in the personal and visible return of the Lord Jesus Christ to the earth and the establishment of His Kingdom. We believe in the resurrection of the body, the final judgment, the eternal peace and joy of the righteous, and the endless suffering of the wicked.

The Church:

We believe in the universal church: a living spiritual body of which Christ is the head and all regenerated persons are members. We believe in the local church: consisting of a company of believers in Jesus Christ, baptized on a credible profession of faith, and associated for worship, work, and fellowship. We believe that God has laid upon the local church the primary task of giving the gospel of Jesus Christ to a lost world.

Social Positions:

New Life Academy, with the help of the Holy Spirit, seeks to walk in the truth of God's Word, the Bible. We desire to live like Jesus Christ who was full of grace and truth (John 1:14). We believe that God, in His mercy, spares us from what we deserve, and in His grace He blesses us with what we do not deserve. We know that all of us are sinners (Romans 3:23) and as a result are in need of God's forgiveness. Furthermore, we believe that Jesus Christ's death on the cross completely paid for our sins, and His resurrection from the dead proved His victory over sin and death (1 Corinthians 15:55-58; Romans 3:21-26). We also believe that since Christians have not only been assured of forgiveness, but are dead to sin, we should not continue in sin so God can keep forgiving us. We who have died to sin should live in it no longer (Romans 6:1-2). Rather,

because of God's great love in sending Jesus to die for us, we ought to live for Him (Romans 5:8). We have been set free from a life of sin. We are no longer slaves to sin, and we are called to not make a practice of sinning (Romans 6:12-13; Galatians 5:1).

It is our belief that many in the world today would seek to exchange the truth of God for a lie (II Timothy 4:2-4). We need to be on guard to live in a way that is different from the world. Rather than being conformed to this world, we are called to be transformed by the renewing of our mind (Romans 12:1-2). Our mind is renewed when we are sanctified by the Holy Spirit and live according to God's Word, the Bible.

When we sin, we are called to ask for forgiveness (I John 1:9). We are called to repent (turn away) from our sins and no longer walk in them (Acts 3:19). We are called to live holy lives because He is holy (I Peter 1:14-16). Therefore, because God's great love for us was demonstrated by Jesus when He died for us on the cross (Romans 5:8), we are called to live holy lives for Him (I Peter 2:24).

For these reasons, we would like to bring clarity regarding several controversial social issues of today. In doing so, we are not saying that these issues, or the sins involved in them, are bigger or worse than any other sins or issues. Sin is sin; and we are called to reject all sin. We specifically address these issues because modern society has both confused and, in some cases, deliberately and intentionally misrepresented what Scripture says regarding these behaviors. Some even suggest we go against God's Word and not call certain behaviors sinful. It is important that we understand sin because we cannot fully understand God's mercy, grace, and our need for salvation until we first understand our sinful condition.

We believe the following...

TRUTH OF SCRIPTURE:

As we address all issues of life, we believe that the Bible has supreme authority in all matters of faith and conduct. We believe that "all Scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness so that the man of God may be thoroughly equipped for every good work" (II Timothy 3:16-17). We believe that the Bible, consisting of the sixty-six books of the Old and New Testament, is the infallible Word of God, inspired by the Holy Spirit, and without error in the original manuscripts (2 Peter 1:21). Because the Bible is true and the standard of truth, it is good and the standard of moral goodness (Psalm 19:7-11).

FAMILY STRUCTURE:

We believe that marriage is a covenantal relationship between one man and one woman (Genesis 2:24; Matthew 19:4-5). We believe that God created man and woman equally in His image, importance, and value, and in God's love and wisdom, they were given unique and complementary roles in marriage as a picture of Christ and the Church (Genesis 1:27; Genesis 2:18; Ephesians 5:22-31). We believe that God has given the primary responsibility of discipling and teaching children to parents (Deuteronomy 6:4-9; Ephesians 6:1-4; Proverbs 22:6; Psalm 78:1-7). The Church and Christian schools exist to come alongside parents in this journey to equip, strengthen, confirm, and reinforce biblical teaching at home.

SEXUAL PURITY:

We believe that any sexual activity outside of the marriage bond is sin (Hebrews 13:4). Furthermore, because marriage is a covenantal relationship between one man and one woman, any sexual activity outside of the marriage relationship is defined by the Bible as fornication (Matthew 19:4-5). Fornication is sin. We believe that any form of sexual immorality that deviates from the biblical standard, such as adultery, pornography, homosexual behavior, premarital sex, bisexual conduct, bestiality, any attempt to change one's sex, or disagreement with one's biological sex, is sinful and offensive to God (1 Corinthians 6:9-10, 13, 18-19; Exodus 20:13; Matthew 15:19; Romans 1:26-27).

SANCTITY OF LIFE:

We believe that life is a gift from God and is precious. We believe that life begins at conception (Psalm 139:13-16; Isaiah 44:2a; Isaiah 49:5a) and each person's days are numbered by God (Psalm 139:16; James 4:13-15).

BULLYING:

We believe that all humans are created in the image of God and therefore each individual is highly valuable. As a result, God expects all people to be treated with respect and honor. We are called to love and encourage one another as we strive for unity (Mark 12:29-31; I John 4:19-20; Ephesians 4:1-3). This means that all bullying, whether it is physical, verbal, cyber, written, or relational is sin.

All of our behaviors (our thoughts, our words and our deeds) that are not consistent with the nature and character of God and His Word are sin. When we sin, we need to repent and ask for forgiveness. The Good News is that, "If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness" (I John 1:9). "For the wages of sin is death, but the free gift of God is eternal life through Jesus Christ our Lord" (Romans 6:23). As Christians, we are called to live like Jesus to the glory of God; "Whoever claims to believe in Him must walk as Jesus did" (I John 2:6; 1 Corinthians 10:31; Isaiah 43:7).

KINGDOM EDUCATION

Education is a partnership between the home and school. It is important for parents to understand the philosophy and approach to education of the school and teachers they are choosing to partner with.

New Life Academy holds a Kingdom Education Philosophy. Kingdom education is defined as the lifelong, Bible-based, Christ-centered process of leading a child into a new identity with Christ. Kingdom education works to develop children according to their specific abilities so that a child will be empowered to live a life characterized by love, trust and obedience to Christ.

Christian parents can be confident in choosing New Life Academy as an educational partner that will help in forming their child's Christ-centered beliefs, which shape their decisions, habits, and choices.

A. Kingdom Education is based on 10 Biblical Principles.

God's Word: The education of children and youth must be based on God's Word as the absolute truth. *Isaiah 40:8*

Importance of Christ: The education of children and youth must hold Christ as preeminent in all of life. *Colossians 2:6-7*

Salvation & Discipleship: The education of children and youth must have as its primary goals the salvation and discipleship of the next generation. *Psalms 78:6-7*

Parental Responsibility: The education of children and youth is the primary responsibility of the parent. *Deuteronomy 6:4-9*

Lifelong Education: The education of children and youth is a 24 hour-a-day, 7 days-per-week process that continues from birth through maturity. *Deuteronomy 11:19*

Educational Permission: The education of children and youth, if and when delegated to others by parents, must be done so with the utmost care to ensure that all teachers follow these principles. *1 Samuel 1:27-28*

Biblical Worldview: The education of children and youth results in the formation of a belief system or worldview that will be patterned after the belief systems or worldview of the person's teachers. *Philippians 4:9*

Education of our Youth is Generational: The education of children and youth must not hinder that spiritual and moral development of the next generation. *Matthew 19:13-14*

Eternal Perspective: The education of children and youth must have a view of the future that includes the eternal perspective. *Colossians 3:1-2*

Biblical Wisdom: The education of children and youth must lead to true wisdom by connecting all knowledge to a biblical worldview frame of reference. *Colossians 2:2-3*

A PORTRAIT OF A GRADUATE

If you know a tree by its fruit, our most powerful example is our graduates. We exist to unleash a generation of believers shaped by Jesus' teachings to pursue excellence in all things for His glory, moving toward a hurting world with His grace and mercy. New Life Academy produces graduates that are:

Authentic Christ followers

They will establish a deep, lasting, and intimate connection to God's being. They will extend the truth and grace of Jesus Christ to all. They will genuinely seek to become a living example of what Jesus prayed, taught and modeled.

Spirit-driven Individuals

They will understand that they are God's masterpiece and that they have been uniquely gifted and motivated to do good works and live with purpose. They will aspire to live lives that are whole and holy, seeking to do the better things God has purposed for them, rather than the temporal things which the world treasures.

Accomplished Learners and Mindful Doers

They will be academically prepared to succeed in their next level of educational or career pursuit. They will persistently build on a rock solid foundation of core knowledge and wisdom, striving for excellence in all things. They will continually seek to learn and grow intellectually, to develop their ability to think critically, to expand their capacity to innovate and problem solve, and to effectively communicate and collaborate with others. They will understand that doing is the completion of knowing.

Agents for Positive Change

They will use and build upon their New Life Academy experience to serve in meaningful ways to challenge contemporary culture and shift our way of being in the world, to change the quality of our relationships with other human beings and with God's creation, and to elevate society's desire to embrace God's true justice, grace, peace and joy.

Wise Leaders and Discerning Followers

They will live life boldly and from a heart that bends outward in love of God and of one another. They will understand that leadership is about how to be and not about power, wealth, or celebrity. They will live out their faith authentically and lead generously as servants.

SPIRITUAL LIFE

New Life Academy exists to educate students and help them flourish in a Christ-centered community where they are known, loved, and valued. Through prayer and shepherding of hearts, we desire to develop the whole child in the truth of who they are in Christ. Bible classes, Scripture memory, chapel, and permeating God’s Word into everything we do is a hallmark of New Life Academy.

I. Lower School Chapel

Chapel is a valuable time of the week to come together as a community in worship and continue to grow in our relationship with Christ.

- Throughout the year, we recognize the work the Holy Spirit is doing in our students through Christian Character Recognition chapel.
- The Joyful Noise Makers, our grades 4-5 optional worship choir lead us in worship during chapel.
- The Hymnsters, all 3rd graders, have the opportunity to lead chapel with the hymn of the month.
- Lower School Chapel happens weekly on Wednesdays from 8:20 – 8:55 AM for Kindergarten – 5th grade students.
- Parents are always welcome to attend Chapel services.

II. Bible

Bible class happens every day in the elementary. Teachers use the CSI Bible curriculum and real-life examples to help students develop and grow in Christ. This curriculum is designed for students who attend New Life from K-6th grade to receive the entire Bible.

III. Biblical Permeation

The Bible is central to everything we do at New Life Academy. Classes are taught through a Biblical lens and permeated in Scripture (**2 Timothy 3:16**). Issues of the heart are also an opportunity for us to speak truth and extend grace to our students. It is our desire for students to be lifelong learners of God’s Word.

XII. Co-curricular Activities

A co-curricular activity is any school-related activity requiring other than class time for its performance. The following standards shall be expected of all students who represent New Life Academy in all after school activities as athletics, music performances, Student Council, Chapel participation, and others. It is important that students, faculty, and the public see in each student an example of Christian living in the following:

Birthday parties are not to be conducted at school with the exception of bringing a birthday treat/item to share with the class.
- Social Gatherings:** When sponsoring socials where the main commonality is school related, parents are expected to maintain school standards of student behavior. Parents are encouraged to check with other parents ahead of time and confirm agreement on parental standards. New Life Academy cannot be responsible for non-school sponsored/non-school chaperoned social gatherings, even if the commonality is New Life Academy students.

XIV. Dress Code

New Life Academy believes it is important to have a uniform (or standardized dress code) policy. A dress policy helps minimize dress concerns for students and parents, as well as to minimize the comparison or competitiveness of different attires and styles.

***The New Life Academy Dress Code is posted on our school website at www.newlifeacademy.org under "Parent" and then click on "Forms and Policies"**

XV. Class Placement policy

The assignment of students to classrooms is the responsibility of the Lower School Principal and teaching staff. The process of assigning students is one that strives to achieve a balance within a class by prayerfully considering many factors. Those include academic level, students new to New Life Academy, gender, behavior, special learning needs, teaching styles and teacher recommendations, etc. We thank you for supporting this process and outcome.

Parental Involvement/Volunteers

- Research shows that students who have highly involved families get higher grades, have fewer discipline problems and are more likely to be successful throughout their entire life. We encourage each family to strive to volunteer in some way. Your volunteer hours help NLA!
- When visiting or volunteering in the building, please sign in at the information desk and obtain a visitor/volunteer badge.
- Parent/teacher conferences are a vital tool for communication on your child's progress. Please plan on attending.
- Parental support is also needed to assist the classroom teacher with academic activities, field trips, classroom parties, etc. All classroom activities must be arranged through the classroom teacher.
- In the event that there is a dispute with a staff member, please handle the matter according to Matthew 18:15-17, to speak directly to the person responsible first. If questions arise about the policies or rules, you may address the questions to the principal. Please do not air grievances about the school with other parents or on social media. This only fosters division and strife.

A. Chaperone Information for Field Trips Our school greatly depends on the involvement of our school parents for chaperoning of field trips and other offsite events. We appreciate your taking the time to support your child's school and its activities.

The following are guidelines that we ask our chaperones to follow:

- All field trip chaperones must complete a background check (form are available in the school office)
- Please bring your cell phone in case of an emergency.
- Please be a Christ-like example by demonstrating maturity in actions, attitude and dress.
- Sign up in advance with your child's teacher
- Non-NLA students, including siblings, should not attend
- Chaperones are responsible for the students assigned to them. Know exactly how many students are in your small group. Be sure that all are present before moving from one place to another.
- Do not tolerate disrespect or inappropriate behavior on the trip. Please report any issues to the classroom teacher.
- Students should return to school with the same person and vehicle that transported them for this event. Please work with the classroom teacher if you need to make an adjustment.
- Please do not purchase special treats for the children you are supervising unless it is for the whole class.

B. Parent School Partnership (PSP) - The New Life Academy PSP includes every parent/guardian of a current New Life Academy student. They look forward to working together with our school in sharing time, talents and gifts.

PSP Goals:

- Promote the mission of our school.
- Foster input, communication and encouragement among faculty, staff, administration, parents and students in all aspects of education and spiritual development.
- Raise funds to enrich our school curriculum.
- Provide fellowship opportunities for our school families.
- Recognize faculty and staff effort.

ACADEMIC EXPECTATIONS

The scholastic standards at New Life Academy are academically challenging. The goal of classroom instruction is to prepare students to be an influence for Christ and to prepare students for the next level of education. Students are expected to display respectful behavior in the classroom to support the learning environment.

2 Timothy 2:15 admonishes, "Study to show thyself approved unto God, a workman who needs not be ashamed, rightly dividing the Word of truth." New Life Academy is committed to helping all students reach their potential – spiritually, academically, physically, and socially – to the glory of God. From admissions to the classroom, we are committed to this goal.

- I. Attendance** - Research proves that the amount of time involved in the classroom directly affects the student's ability to learn. Minnesota state law requires that every child between seven and eighteen years of age shall attend a private or public school.

D. Policy Overview

- In Minnesota, it is considered the Parent/Guardian's responsibility to ensure the child's attendance (under the age of 12). By Minnesota State Statute, a child is in need of protection or services when a child is without the necessary food, clothing, shelter, **and education**, or other required care for the child's physical or mental health or morals because the child's parents, guardian, or custodian is unable or unwilling to provide that care.
- Lower School students may miss up to 14 days of school as per MN State Statute.
- When a student exceeds **five unexcused absences** a conference with the student, parent(s), and Lower School Principal will be requested to evaluate the situation and review application of truancy laws.
- Parents are encouraged to arrange their vacations to coincide with the vacation days on the school calendar. In the case of family vacations during school days, a written notice must be turned in to the Attendance Secretary **one week in advance** and approved by the Lower School Principal prior to any pre-arranged absence. This does not necessarily mean it will be an excused absence.
- Doctor appointments should be scheduled during non-school hours as much as possible.

E. Policy Definitions

- Lower School is in session for 7 hours a day. Attendance is marked by the half day. A half day is 3½ hours.
- For AM attendance, a student will be marked tardy if arriving before 9:30 AM and will be marked ½ day absent if arriving after 9:30 AM.
- For PM attendance, a student will be marked with an early exit if leaving after 1:30 PM and will be marked ½ day absent if leaving before 1:30 PM.
- If a student leaves in the middle of the day and returns later that same day, he/she will be marked tardy (or early exit) if they are gone less than 1½ hours. If the student is gone longer than 1½ hours he/she will be marked ½ day absent.

F. Attendance Terms:

- **AU = Unexcused Absence** – i.e. oversleeping, missed bus, no call or note from parent/guardian verifying absence within 3 days, family vacation that has not been pre-arranged, visiting, needed at home, etc.
- **AE = Excused Absence** – An absence for medical/dental reasons and authorized vacations. Vacations requests must be submitted at least one week in advance for administrative approval.
- **PA = Parent Authorized Absence** – Parents are **not** required to provide a reason for Parent Authorized Absences, but must contact the Receptionist no later than the day following the absence. Please note that Parent Authorized Absences are **limited to one per semester**.
- **TU = Unexcused Tardy**
- **TE = Excused Tardy**
- **EE = Early Exit** Leaving school between 1:31-3:00 PM

- **Pre-arranged Absences** – Notice of family trips/vacations or other parent/guardian directed activities that have been given to the Attendance Secretary one week prior to the student’s absence, by the parent/guardian/student and approved by the Lower School Principal and teachers of the student.
- **Sign-in/Sign-out Form** – All students who enter the building after school is in session or leave the premises before school is out must have his/her name, destination, and time of entry or departure recorded on this form in the main school office.

G. Procedure for Notifying School of an Absence - For **EVERY** day a student is absent from school, please fill out the attendance form (located in Veracross and the NLA app). If notice is not received, a student will be marked absent unexcused (AU) If a parent knows that there will be a multiple day absence, this should be added on the attendance form.

In case of an illness for more than three days, or upon request of the Lower School Principal, a statement from the school nurse or attending physician may be requested.

The message to excuse students should contain the following information:

- Name and phone number where parent can be reached
- Student’s first name, last name, and grade in school
- The day(s) and date(s) the student will be absent and the reason. (The school needs to know the reason to determine if it is excused or unexcused)

H. Make-Up Work

- Students who are absent for the following reasons shall be given a minimum of two days to make up missed work for each day’s absence
 1. Parent/doctor verified illness
 2. Family emergencies
- Students who are absent for the following reasons shall be expected to complete, upon return from an absence, all pre-announced tests or specific course projects:
 1. Medical/dental appointments
 2. School directed activities
 3. Pre-arranged family vacations
 4. In-School Suspension
- All Course work missed by the student during an excused or unexcused absence must be completed and turned in to his/her teacher(s).
- Make-up work not submitted in a timely manner may earn a grade of zero. An accumulation of missing assignments may result in an “F” for the subject.

I. Tardies/Punctuality

- Our expectation is that the student must be inside the classroom at 8:05 am.
- Excessive unexcused tardies will be dealt with on an individual basis. A conference with the Lower School Principal may be required.
- If a student is tardy more than five minutes to school, they must report to the Receptionist to sign in.

J. Leaving School Early - New Life Academy has a closed campus policy. Students leaving early will need to bring a note from home or notify the Receptionist via phone or email stating the reason for early dismissal, and the date and time student is to be dismissed from class. Parents of students Kindergarten – 5th Grade should go to the Attendance Secretary to sign out their child. Your child’s teacher will then be notified to send the student to the foyer. Short term parking is available in the east lot of this purpose.

Once the school day begins, students are not allowed to leave campus unless proper arrangements are made with the school. Students who leave with permission must sign out before leaving and sign in upon return

Physical Education Excuses

Students with physical limitations may be excused from participation with a note from the parent or physician.

- **Enrichment & Intervention** – At New Life Academy, we have the unique opportunity and privilege to teach and minister in all aspects of education. We deal with the spiritual, social, physical, emotional, and intellectual aspects of a child’s growth. We look at our students individually to assess their strengths and weaknesses in order to develop a program that will best meet their needs. We acknowledge that we have limitations to services and accommodations we can offer.

A. After School Programs

- **Academy Adventures** provides children in Kindergarten through 5th Grade a fun and safe place to come after school. ***For your child's protection, only those persons authorized on your registration form will be allowed to pick up your child at the end of the day. If you wish anyone other than those listed to pick up your child, the Academy Adventures staff must have the direction in writing prior to the pick-up. A phone call will be accepted only in the event of a last minute change or emergency.**

****To continue to keep New Life a safe place for all students. Lower school students, in grades K-5 should go to Academy Adventures anytime they are at NLA after 3:10. Being supervised by an older student, in middle or upper school, will not ensure safety for all students, which is our main goal at NLA.**

A student must be in school the entire day to be able to practice or participate in a game, field trip, or other activity. Prior approved appointments are an exception. **(See Attendance p. 17-18)**

G. Homework Policy

The educators at New Life Academy recognize the importance of student mastery of concepts and skills. Assigning meaningful and quality homework to help students master educational concepts encourages student achievement, independence, and responsibility.

Homework Purposes:

1. **Practice** newly taught skills to seek mastery
2. **Review** previously mastered skills (as to prepare for a test)
3. **Develop** independent study habits
4. **Extend** and enrich learning by investigating further

The Teacher’s Roles

- Identify the purpose of homework and communicate expectations for students
- Post assignments in Schoology to communicate with parents and students
- Review homework in a timely manner, offering students specific information about student learning and growth
- Notify parents regarding homework problems and missing assignments
- Collaborate with colleagues to discuss homework practices and student learning

The Students Responsibilities:

- Maintain the highest quality work on homework assignments
- Understand why homework was assigned and how to complete it before leaving class
- Complete and submit homework assignments by the due date
- Be responsible to get assignments from school when absent (Homework assigned before the absence should be turned in the day the student returns to class. Students will be given the number of days of the absence to make-up any homework/tests/quizzes)

The Parent’s Responsibilities:

- Encourage a positive attitude towards homework as part of the learning process
- Be available to provide support, but do not do the assignment
- Communicate often with the student and teacher. Give feedback to the teacher when there is a homework concern
- Check Schoology to review homework is completed and submitted

Homework Guidelines:

Students might not bring homework home every day. However, regular homework is proven to support academic success (especially in grades 4-5). The chart shows homework guidelines – there may be times when students have no homework, or have slightly more.

Grades K-1 10 minutes + 20 minutes of reading with your child

Grades 2-3 30 minutes + 30 minutes of reading

Grades 4-5 50 minutes + 30-40 minutes of reading

*If you find your child is spending more than this suggested time on a regular basis, talk about it with your child. Please provide helpful feedback to your child’s teacher periodically, so we can ensure the best learning practices

Late Work:

Without the submission of completed homework, teachers are unable to know if mastery of the standard has been met. In the lower school years, we seek to help students develop responsibility for their own learning. Students are expected to complete homework and turn it in by the due date. If extensions are needed for the completion of an assignment students may be asked to remain in from recess or an elective to complete the homework. For each week an assignment is turned in late, the grade will be docked 10%. If this happens repeatedly, conversations with parents and the principal may take place.

BEHAVIORAL EXPECTATIONS

The purpose of discipline in a Christian school is to bring the student into maturity in Christ so that he/she will exercise self-control at school, at home, at church, and in every other area of life. In seeking to develop godly character within our student body we have prayerfully selected scriptural consequences designed to deter ungodly behaviors and attitudes, promote and develop Christian maturity, and maintain a safe Christ-centered atmosphere in and around the classroom.

New Life Academy strives to provide an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. New Life Academy desires to provide an environment where students will reflect Christ-like behavior in all they do. That means students will:

- Maintain Christian standards; examples include but are not limited to kindness, language, morality, and honesty.
- Refrain from engaging in bullying, harassment, sexual immorality, swearing, and any illegal or immoral activities.
- Respect teachers, administrators, students, and property.
- Follow the rules and regulations of the school including all aspects of conduct, dress, and attitude.

Students are expected to abide by these standards throughout their enrollment whether at home, school or elsewhere. Students found to be out of harmony with the NLA ideals may be invited to withdraw whenever the general welfare demands it, even though there may be no special breach of conduct.

I. Standards of Conduct

- Be godly stewards of what we have and use.
 - Keep the classrooms, hallways, and locker areas clean.

II. Teacher and Parent Responsibilities

A. Role of the Teacher

- The teacher has the responsibility and authority to maintain discipline and order in the classroom. Teachers will speak privately with students about behavioral concerns whenever possible. Parents will be contacted if a student is unable to correct improper behavior.
- Situations that the teacher deems to be chronic, deliberate, or otherwise worthy of special handling, will be referred to the Lower School Principal.
- Corporal punishment is not administered at New Life Academy.

B. Role of the Parent

- *"Children be obedient to your parents in all things, for this is well pleasing to the Lord."* (**Colossians 3:20**)
- Parents have ultimate responsibility for the training and discipline of their children. As parents, teachers, and administrators we work together to "train up" the children entrusted to us. (*"Train up your child in the way he should go and when he is old he will not depart from it."* **Proverbs 22:6**).
- Grievances should be kept confidential. Please follow the scriptural principle in Matt. 18:15-20 and speak directly to the person.

The discipline principles below are the basis of all the academy's discipline processes. The academy is committed to applying these principles as the discipline process is executed.
